Dear Sir/Madam

Re: Support letter for Rangmanch Group.

My name is Ella Kumar. I am currently an elected local board member for the Puketapapa Local Board. I am also working in the health and fitness industry as an aerobics instructor and a lifestyle coordinator. My hobbies have always been in the musical drama dance industry. I have the experience of teaching for 30 years and delivering high performance shows with many students to give them platform to achieve confidence and opportunities.

The Rangmanch group have similar ethics to their work and community efforts. They give opportunities to many from performances to script writers to costume designs. I have been very lucky to attend many of their performances and each time amazed at the final product. During their preparation I have witnessed many hours of practices so they can bring a platform of laughter and educational scripts so the community remember their culture and much more. The volunteer hours are many from each of the committee group members. I hope to see this group at many other performances .

I hope for all the success to the group in their applications so they can deliver many more great performances.

If you require more supporting information please do not hesitate to call me.

Yours faithfully
