

## Kanwaljit Singh Bakshi

National Member of Parliament

18 February 2015

### **To Whom it may concern**

Rangmanch NZ Inc is an Indian ethnic theatre group that has been actively producing Indian Theatre in various languages since 2008

The quality of the work put on display by Rangmanch leaves their audiences with topics to reflect upon and in case possible make a difference to our society and communities.

I wish them all success with their Indian Theatre project in May 2015.

Yours sincerely
